**TO WHOM IT MAY CONCERN**

This is to certify that the following translation of the DLQI provided on the Dermatology Department website <https://www.cardiff.ac.uk/medicine/resources/dermatology-questionnaires> is a fully validated translation. Each translation was translated into the alternate language and independently back translated into English under the direction of the Cardiff Dermatology Quality of Life Team. Further cycles of forward and back translations were undertaken in response to identified inaccuracies, until the back translation was equivalent to the original English version. The final version was then confirmed by the Cardiff Team.
