

June 2022

TO WHOM IT MAY CONCERN

This is to certify that all of the following translations of the DLQI provided on the Dermatology Department website <https://www.cardiff.ac.uk/medicine/resources/dermatology-questionnaires> are fully validated translations. Each translation was translated into the alternate language and independently back translated into English under the direction of the Cardiff Dermatology Quality of Life Team. Further cycles of forward and back translations were undertaken in response to identified inaccuracies, until the back translation was equivalent to the original English version. The final version was then confirmed by the Cardiff Team.
