SCIENCE in health

OCTOBER 2024 - APRIL 2025

PUBLIC
LECTURE
SERIES

A series of FREE public lectures with two main aims:

- To open up areas of concern in health care
- To present new research on health issues to the public

www.cardiff.ac.uk/scienceinhealth

About the lecture series

The highly successful Science in Health Public Lecture Series is now in its 22nd year and attracts a diverse audience of interested individuals including the public, secondary school pupils and professionals. **The lectures are FREE to access.**

This year the lectures will take place live via Zoom. Details of how to join each lecture will be available at

www.cardiff.ac.uk/scienceinhealth

All lectures will be recorded and will be available to view from the above webpage.

Programme of Lectures
