## **Croeso i Surgam, cyfle i ddod at ein gilydd i ddatlu yr hyn y mae ein myfyrwyr a’r cydweithwyr wedi cyflawni dros y flwyddyn a fu.**

Rydw i yn falch iawn o bob myfyriwr sydd yn dewis astudio gyda ni, boed yn fyfyrwr meddygaeth, pharmacoleg feddygol neu ôl-radd. Bob blwyddyn byddaf yn cael fy syfyrdannu gan yr hyn y maent wedi llwyddo gwneud, boed yn yr ystafell ddosbarth, ar gae chwarae neu yn y gymuned. Un o bleserau mwyaf y flwyddyn yw darllen y rhestr hirfaeth sy'n nodi yr argraff y mae ein myfyrwyr blwyddyn olaf wedi gwneud ar bobl o bedwar ban byd. Does dim amheuaeth gen i bod dyfodol gofal iechyd mewn dwylo da.

Mae hi'n gyfle hefyd i ddiolch i'r unigolion sydd yn gwneud yn siwr bod ein myfyrwyr yn cael y cyfleoedd i ddatblygu a thyfu. Ni fyddai eu datblygiad yn bosibl heb arweiniad a chefnogaeth tîm ymroddedig o staff prifysgol a'r GIG. Mae'n fraint arwain tîm mor ymroddedig o staff academiaidd a gwasanaethau proffesiynol sydd oll yn

cyfrannu at gyfoethogi profiad y myfyrwyr. Braf yw cael diolch a dathlu eu llwydiant hwythau hefyd.

I gloi mae'n diolch i bawb sydd yn cefnogi ein dysgwyr boed yn deulu neu ffrindiau a gobeithiaf y gallwch chi rannu a bod yn falch iawn o'u cyflawniadau heno.

# Welcome

## Welcome to Surgam, an opportunity to get together to celebrate the achievements of our students and staff over the last year.

I am proud of every student who chooses to study with us here at Cardiff, be they a Medicine or Pharmacology undergraduate or postgraduate student. I am overwhelmed at what they all manage to achieve, be that in the classroom, on the wards, on a playing field or in the community. One of the greatest pleasures of the year, is reading the testimonials which we receive after our final year elective, which shows the global impact which our students have. I have no doubt that they all have a very bright future and ultimately that patient care is in good hands.

Their development would not be possible without the guidance and support of a dedicated team of university and NHS staff. It is a privilege to lead such a dedicated team of academic and professional services staff who all contribute to enhancing the student

experience. Being able to celebrate and note their achievements is also vital.

My thanks also go to all of you, friends and family, who are here with us today, supporting our learners in all that they do, you too can be proud and share their achievements, many of which would not be possible without you.

#### SSC project: top ranking project in Psychological Medicine

Cafodd Richard ei addysg yn Ysgol Bechgyn Bournemouth. Ym mis Medi 1978 gadawodd i fynd ar drywydd ei uchelgais i fod yn Feddyg. Graddiodd o Ysgol Feddygaeth Cymru ym 1983 Roedd yn byw yng Nghaerffili hyd ei farwolaeth ym mis Mai 2007. Roedd Richard yn wŷr bonheddig. Byddai'n dychwelyd yn aml i'r Brifysgol ac ar adegau yn oruchwyliwr arholiadau. Rhoddodd cyn gymaint, ond gofynnodd am ychydig yn ôl. Mae ein colled yn fawr.

Richard was educated at Bournemouth School Boys. In September 1978 he left to pursue his ambition to become a Doctor, by enrolling at the Welsh National School of Medicine in Cardiff. He graduated in June 1983. He lived in Caerphilly until his death in May 2007. Richard was a true Gentleman. He often returned to the University and was at times an examination supervisor. He gave so much but asked for little in return. He is greatly missed.
